Dear diving friends,

On behalf of the Foundation for Diving in the South Netherlands (SZN) and PSV Diving, we are delighted to invite you to the 27th Eindhoven Diving Cup, taking place from Thursday 28 to Sunday 31 January 2027.
We look forward to welcoming divers, coaches, officials and supporters from around the world for four days of exciting competition, international encounters and a friendly atmosphere. We are particularly proud to provide young divers with the opportunity to gain valuable international competition experience.

Competition
The competition will be conducted in accordance with World Aquatics regulations. Recognition of the event by European Aquatics for officials' evaluation purposes is currently pending .

Medals will be awarded to the top three divers in each event, and every diver will receive a certificate.
Only Boys and Girls A 1m and 3m events will include preliminary rounds and finals.
Youth development remains a key focus, so our Junior Stars events return for younger divers performing a C-group program.

Competition is expected to begin at 9:00 each day and finish between 17:00 and 19:00, depending on entry numbers. We will aim to finish earlier on Sunday to allow our foreign competitors a timely journey home.
